WHY IS YOUR SCHOOL'S STORY NOT BEING TOLD?

Your school is full of vibrant moments, yet many remain unseen. At **Jupiter Leo**, we change that.

We're dedicated storytellers who specialize in education.

We don't just take photos or build websites.

We craft a compelling narrative that attracts families, strengthens your community and celebrates every achievement.

PHOTOGRAPHY & VIDEO

Event Coverage

We'll capture everything from school assemblies, sports, science fairs, trips and dances.

Graduations

We provide high quality photo and video coverage, offering valuable and memorable media for parents.

Recruitment Videos

We produce highlight videos and virtual tours that attract new students and community engagement.

WEBSITE SOLUTIONS

Website Design & Support

Our plans handle all technical details. You focus on education, we'll keep your website running flawlessly.

Content Services

We help you keep your news and galleries fresh, exciting and fully compliant.

Optimization & Consulting

Our Optimization services help new families find you and improve user experience on all devices.
